Subject: RE: testimony

Hi Matt-

April 27th at 2 is good for me (the only other possible court cases I have that day are 3 district court cases in Springfield). I do have a question through - when I looked up the lab numbers I noticed that [REDACTED] also has the same defendants listed ([REDACTED]) as the numbers you gave us. Is [REDACTED] also part of the case, or is that evidence connected with a different defendant? Thanks.

-Sonja
